# Be Trendy for every Mood

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.

You  
need  
it, we'  
ve  
got  
it.

Fashion is very  
rough, and we  
shouldn't forget that  
before designers  
were money-makers,  
they were artists.

Smiles  
are  
always  
in  
fashion!

I think there is  
always a need for  
pure design. With  
pure design, you  
don't need so much  
decoration.

I don't  
do  
fashion, I  
am  
fashion

and of course, one thing  
that's always in style is  
color.

A woman with long, wavy brown hair is standing in a rustic, dimly lit room. She is wearing a bright yellow kurta with floral embroidery on the chest and hem, paired with black and white striped pants. She is also wearing gold sandals and a large ring. The background features a wooden door with a lattice pattern and a large ceramic pot.

Do it  
with  
fashion  
or not at  
all

Design is a constant  
challenge to balance  
comfort with luxe,  
the practical with  
the desirable.

Always  
wear  
what  
you  
want to  
wear
