Fabulous style

Each avatar is worth worship
and being subservient

People are like stained - glass windows.
They sparkle and shine
when the sun is out, but when the
darkness sets in, their true
beauty is revealed only if there
is a light from within...

Traditional Touch
when purity meet attraction

Real beauty is to be true to yourself! That's what makes me feel good.
Beauty is the first present nature gives to women and the first it takes away

Glamour is everything

Glamour has a new language.
Beauty is a manifestation of secret natural laws,
which otherwise would have been hidden from us forever.
