Beauty is deep

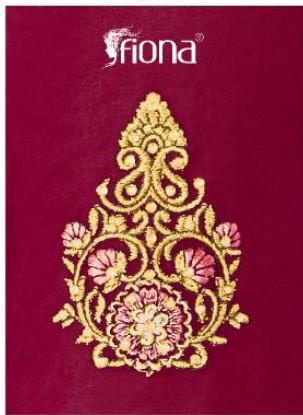

Beauty is just like a mountain you will never know what's inside
On the surface, it can be filled with green plants
How about inside? It's like a hole or a well? So, beauty is just like a mountain
It's filled with many hidden secrets
How about inside? It's like a well?
Beauty of a person cannot stay with appearance; beauty is appear inside the depths of the heart
The deeper the heart is, the deeper the beauty is.

Beauty and femininity are apples and can't be continued,
and glamour, although the manufacturers won't like this,
cannot be manufactured. Not real glamour : it's based on
femininity.

Glamour isn't about age, shape or size. You don't have to be pretty to have it, anyone can
create it.
Glamour never takes a day off.
Glamour is back but with a minimalist touch.
Glamour is a state of mind.
Come quickly I am tasting the stars.
You can do anything but not everything.
Romance is the glamour which turns the dust of everyday life into a golden haze.
For now I will just sit here and dream of a world of glamour.
In a world full of needs I want to remain a classic.
Every woman needs a shiny blouse in all about glamour.

Beauty Bouquet

There's a girl who walks the scenic trail.
The one with the long ponytail.
The way it blows in the breeze.
Can bring a fellow to his knees.
She's pure as sunshine.
Mellow as aged wine.
Mystical as a Hawaiian sunrise.
A beauty bouquet for the eyes.

Look harder

She has a lot to offer. She finds where the better things
are going and where she has been. She looks just who she is and who she can be.
She has the kind of beauty it is of people can't see. You can only see if you get close enough to look.
Not everyone is like this girl. They judge her and treat her like nothing.
But what they don't realize is that she is really up to something.

 **Letting Go with Grace**
There's a particular kind of beauty that can
only be experienced.
A kind of beauty where the
moment is feeling
and the most intense beauty can only be
seen in
the presence of both light and shadow.
For it's often in the lack of a thing
that it's worth to us, becoming
most precious and by letting it go we
grow stronger and more powerful.
Realizing that the past
may no longer only
because it's been
left behind and we're not
in pain's power touched us we
wouldn't have known the existence
of the loss, our grief will eventually turn to
thankfulness that it never taught us to let go,
and we will be forever bound by the mystery of
its learning.
