My fashion is about the urban woman in the year 2020, I think about obscure, weird things and try to create a world around them.

Fashion is the part of the daily air and it changes all the time, with all events.
You can even see the approaching of a revolution in clothes.

When you don't dress like everyone else, you don't have to think like everyone else.

Over the years I have learned that what is important in a dress is the woman who is wearing it."

STYLEMAX®

Never, ever confuse what happens on a runway with fashion.
A runway is spectacle. It's only fashion
when a woman puts it on.
Being well dressed hasn't
much to do with having
good clothes.

A close-up photograph of the same woman, focusing on her upper body and face. She is looking directly at the camera with a slight smile. Her hands are resting on her hips. The background consists of large, green, tropical leaves, suggesting an outdoor garden setting. The top right corner of the image frame contains the brand's logo, a stylized orange 'S' with a yellow flame-like element, followed by the text "STYLEMAX". Below the logo is a small red elephant icon. A caption in a small font reads: "I wear my sort of clothes to save me the trouble of deciding which clothes to wear." The page number "126" is located at the bottom right corner of the image frame.
