A woman with dark hair styled in a bun is standing on a paved path outdoors. She is wearing a light-colored saree with a large red rose pattern and a dark brown border. The saree has a wide, decorative border at the bottom with red and green patterns. She is also wearing a short-sleeved blouse with a small floral pattern. She has large, ornate earrings and a bracelet. The background shows lush green trees and a palm tree.

That is the key of this collection, being yourself. Don't be into trends.
Don't make fashion own you, but you decide what you are, what you want to express by the

◇ TREND & TRADITION ◇

Look young gracefully

An aged man is but a paltry thing, a tattered coat upon a stick, unless soul clap its hands and sing, and louder sing for every tatter in its mortal dress

◇ TREND & TRADITION ◇

Tradition of excellence

Fashion should be stylish & fun.
I still appreciate individuality style is much more
interesting than fashion really.

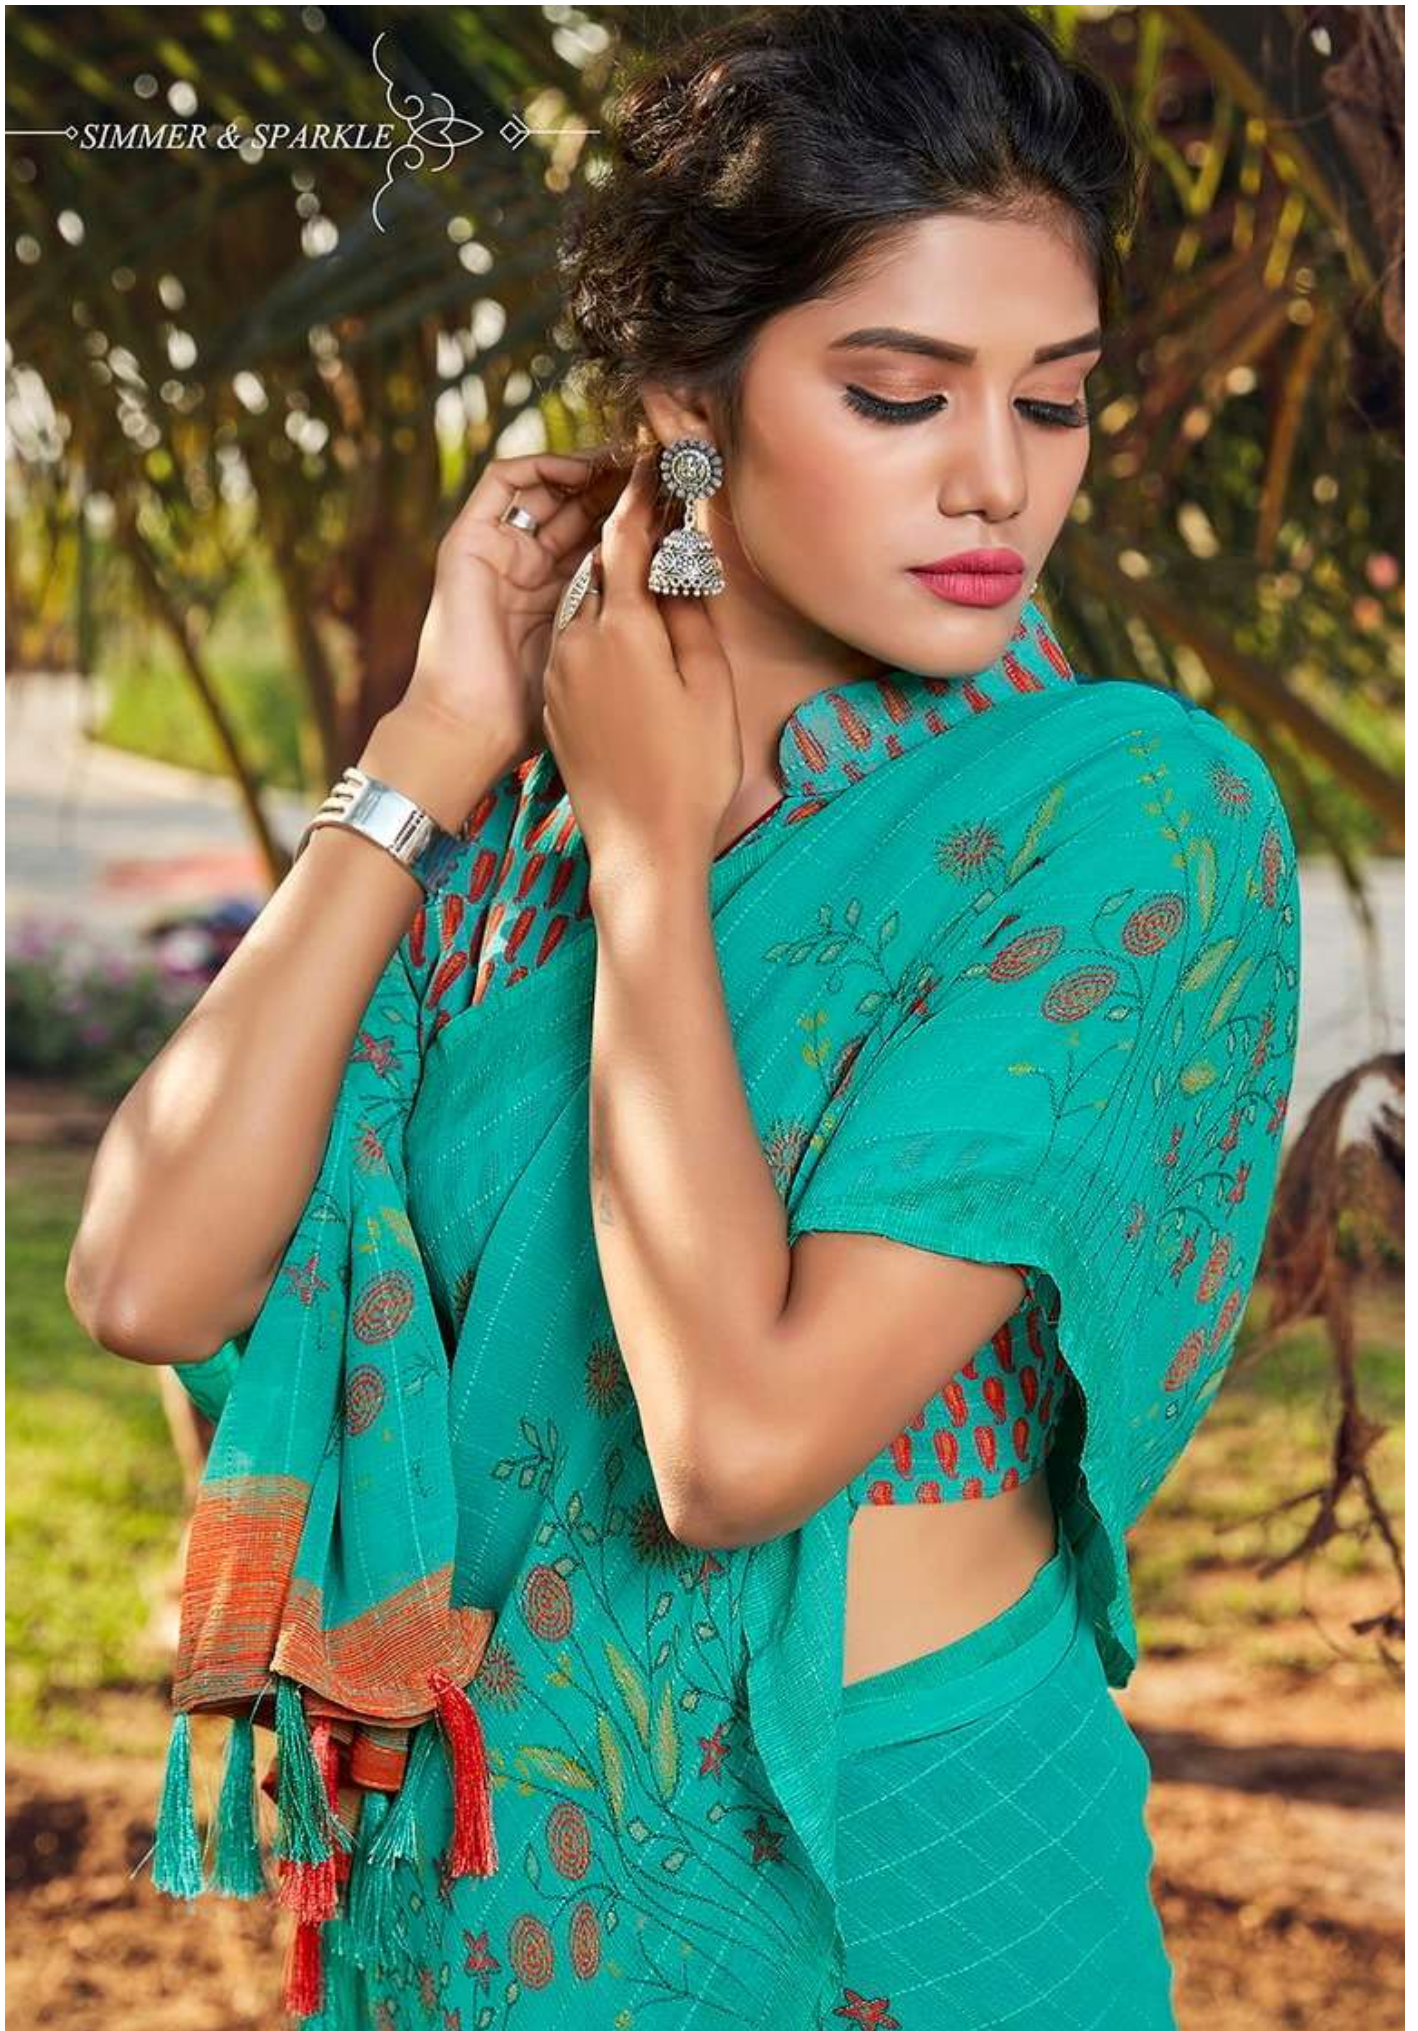

Designers want me to
saree like Spring
in billowing things.
I don't feel like Spring.
I feel like a warm Autumn.

◇ SIMMER & SPARKLE ◇

I appreciate simplicity, true beauty that lasts over time, and a little with an eclecticism that makes life more fun.
