01

As they gaze into the mirror, they're struck by bewilderment.
Not knowing it is their reflection they behold, they imagine it to be
a world of wonder and colour imprisoned in the confines of those glassy depths.
They marvel at the beauty within, clad in threads of almost magic.

These patterns have been designed to the smallest detail to reveal their beauty - perfect to the smallest degree.

Some consider them obscene, judging from their perfection.

And when they realize that those insects do truly exist,

they marvel upon the richness of existence. And the richness of the threads that allow them

These patterns have been designed to the smallest detail to reveal their beauty- perfect to the smallest degree.
Some consider them illusory, judging from their perfection.
And when they realize that these birds do truly exist,
they marvel upon the richness of existence. And the richness of the birds that above them.
