"I think the fashion is super serious and humor is suspect and people don't always know how to approach it. Sometimes people have questioned whether I was making fun of the industry or just at myself. I'm just trying to raise a smile. Clothes aren't meant to be worshipped. I have a different approach to most designers."

I think the fashion is super serious and
humor is suspect and people don't always
know how to approach it.
Sometimes people have questioned
whether I was making fun of the industry
or just at myself. I'm just trying to raise a
smile. Clothes aren't meant to be
worshipped. I have a different approach
to most designers.
