

Fashion
& BEAUTY

Fashion should be stylish & fun, I don't appreciate individuality
style is much more interesting than fashion really it grows.

Fashion is about dressing
according to what's
fashionable style is
more about being

Flattering CREATION

Fashion is inspire by youth & nostalgia & draws inspiration from the best of the past. Fashion is a great thing. Its a way to express who you are.

Fashion is a language. Some know it, some wear it, some never will like an idiot. I dress for the stage, not for myself, not for the public, not for fashion, not for men.
