Songs of divinity

They surround her and look upon her in awe, as if she's not mortal but a miracle,
Her tresses enchant and her dresses enamor. And they sing her song, so that the
ages to come too will sing of her beauty.

The glory of dusk

When the world is weary and on the verge of retiring is when she comes out to the sands. The magificent colors of her dresses drive away every bit of languor from weary hearts. They come as servants, and leave richer than ever before with this blessed experience.
