A Line Of Fashion Statement

Fashion is not something that exists in kurti only. Fashion is in the way we dress, fashion has to do with ideas, the way we live, what is happening. Style is when they're running you out of town and everybody's like 'oh, like you're leading the parade.' If I can have any impact, I want women to feel good about themselves and have fun with fashion. Delete the negative, accentuate the positive!
