EMOTION &  
GLAMORS

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."

# THE PASSIVE STYLE

"Fashion is very important.  
It is life-enhancing and, like  
everything that gives pleasure  
it is worth doing well."

## Get's SPRING Ready

"I think our bodies are beautiful, and I think celebrating them and being comfortable in them—no matter what age you are—is important. There shouldn't be any kind of shame or discomfort around it."

Fashion is our attitude

'High and low isn't such a novelty thing, it's how young people interpret the life we've been given. It's how we look at luxury brands, it's how we look at heritage brands.'
