They may be for the better or the worse.....  
but it is the essence that really matters. The change of  
**fashion trends** is the  
additional proof of this  
passion of mankind.  
Fashion color trends and  
accessories trends are  
but a few fashion trends  
to mention. However, the  
recent accessories fashion  
trend presupposes that  
these two items should  
be of different colors.  
This innovation is  
comparatively hard to  
get used to, so a good  
percentage of fashion  
enthusiasts keep on their  
former habit of matching  
the shoes and the purses.  
There is Who knows, the  
accessories fashion may  
change tomorrow back  
to what it originally was.
