

Be Practical...!!

# Masakali

In the sea of the world, you are not alone, in the sea of life, in the moment, you are not alone.

THIS IS HEAVEN AND YOU'RE UPON BEING HERE... BECAUSE OF ALL THE WORKS.

Be Practical...!!

This is heaven, and you're upon the wings here - the ruler of all the worlds.

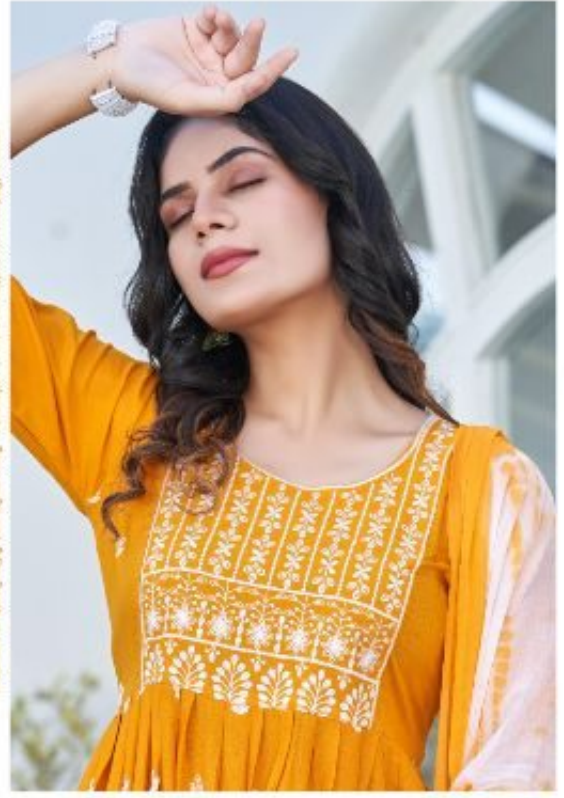

### The Solar Deity

The best of you, at the center of the world, by the way of the sun, by the way of the sun, by the way of the sun, by the way of the sun.

YOU CONNECT THE WORLD TO WHAT IT BELIEVES HAS BEEN LOST FOREVER. JOY, SMILES, LAUGHTER AND MOST IMPORTANTLY, YOU ARE THE LIGHT BASTION OF BEAUTY, IN A WORLD RUNNED BY TEMPORARY FIRE.

### The Lady of the Lake

Beyond the hills, the forest, a town. A town that is quiet,  
the walls of the forest, rising above the clouds,  
the walls of the forest, rising above the clouds,  
the walls of the forest, rising above the clouds.
