

What you wear is how you present yourself to the world,
especially today, when human contacts are so quick,
fashion is instant language

10001

Clothes aren't going to change the world, the women who wear them will

Clothes must look good and women love to them

10004

10006

Style is very personal, it has nothing to do with fashion.
Fashion is over quickly. Style is forever.

10011

Fashion is what you buy. Style is what you do with it.
Style is a way to say who you are without having to speak.
The difference between style and fashion is quality.
