*A reflection of purity*

As they gaze into the mirror, they're struck by their reflection; but beauty is in their reflection, they believed they might be the most beautiful in the world. And when it's in the mirror, they believe in themselves. They believed in the beauty within them, that's what makes them unique.

Unblemished beauty

17011

As the ages pass, as Kingdoms crumble and one over takes the other, like a garden, here and there, beauty is a constant source of illumination to this world of ours. You, too, though, are also a jewel in your crown, which never fades with time, with friends, with family, or with love.

*Glimmering miracle*

When the greatest artists of the land gazed upon the webs before them, they grew awestruck by their  
unparalleled beauty. Many spiders were cast and doomed, but few could match to these majestic spiders.  
That's why we have named our collection after them.

# *Golden grace*

If grace was weighed in gold, theirs would be priceless. As they realize their own value, they smile from their innermost core. And that enhances their beauty a thousandfold. All those who beheld these nymphs in their splendor, clad in immaculate salwars bow their heads in reverence.

A woman with long brown hair is modeling a traditional Indian outfit. She is wearing a vibrant red Patiyala top with a subtle texture and a golden-yellow border around the neckline and cuffs. The matching dupatta (scarf) is a rich gold color with a delicate, intricate floral and paisley pattern in shades of red, orange, and yellow. She is also wearing a pair of patialas (flared trousers) with the same floral print as the dupatta. She is standing in a classic interior setting with light-colored walls, a large arched window, and a ornate chair with a floral arrangement on it.

Once a great wise sage spoke of a scourge, a glow which would consume the planet with its intensity. These maidens were born soon after, and from a burning eye glowed brighter than the remaining universe. Today, their sparkle and that of their dazzling clothes have infected the universe with their inherent charm. The prophecy came true!

*Stately Green*

The King is infatuated with her, with her looks, with her character and with the way she dresses. Her arrival is implemented in the inner essence of his heart and soul. He wants to marry her and bring her to his palace. But he hesitates. Because even his place with all its splendor is inadequate for someone so divine. His dreams, and sometimes, pains, for her.

The patterns have been designed to highlight details to what they features. Perfect to their original design. Some consider them blouses, judging from their pattern. And when they come out, these designs do it all, just like myself. Open the choices of existence. And the choices of the threads that adorn them.
