Harvest of Tradition

In the days of old, farmers celebrated their toil and
wrote to seek their fortunes in foreign lands. And
even the descendants of these immigrants better
remembered their roots. They were there,
like us, in every sense.

Colours of Existence
 What colour has not just been painted with ordinary shades and
 hues. It is a manifestation of art, love, and joy in equal
 measure; woven with intricate precision. It is a masterpiece
 created with every emotion of life.
