I AM NOT TRENDY. I AM NOT 'IN FASHION.' I AM SIMPLY A POSITIVE HUMAN BEING WHO HAS A POSITIVE OUTLOOK ON LIFE.

simple

Comfort and simplicity are two keys that I follow when it comes to fashion.

16701

The best fashion advice I'd say would be just to do what makes you comfortable and what makes you feel cute, and that's how you're gonna look your best 'cause when you feel your best, everybody else can feel it, too.

I'm not a fashion person. I basically like to wear navy blue, and I don't need a lot of extras.

tasteful

capture

Fashion is about good energy. It's about feelings.
That's what I have to give the people, good energy
and good feelings.

I LIKE LONG TOP

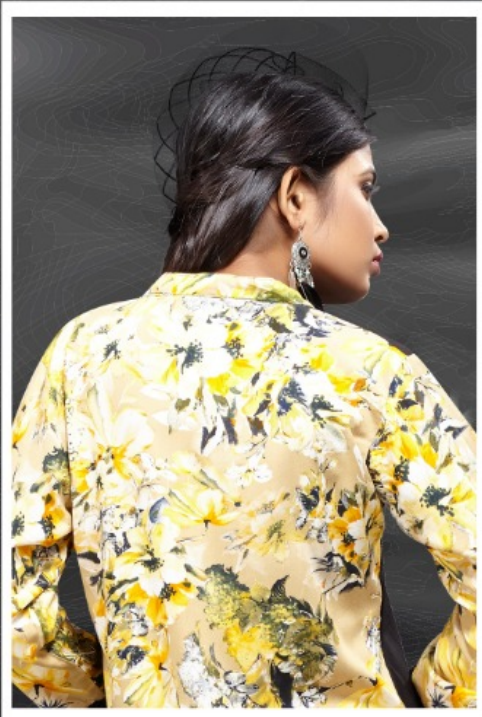

charming

Being a tomboy worked to my advantage in fashion. I'm known as the androgynous girl - I've used it in a way that works for me. I've never felt a pressure to change myself. I do own a few Rick Owens dresses - they're more like long tank tops, though.

16704

high-class

Fashion and music are two great artistic forms that can be molded by the youth culture - our taste and our passion for evolving things in our limited time on earth allows us to look at things with fresh eyes.

16702

I'm very simple when it comes to gifts, so the best ones that I've received have love as their main intention. I appreciate everything.

fantasy

I wouldn't say that anyone
in fashion is on my side. I
don't think there's anyone
on my side.
